COUNTY OF VENTURA

CHILDREN AND FAMILY SERVICES
OVER THE COUNTER MEDICATION LOG

Foster Family Home Name	**Facility Number**
Foster Child's Name	**Date of Birth**

CCL Foster Family Home Regulations, Title 22, Division 6, Chapter 9.5, Section 89475(c) requires when a foster child has a health condition that requires over the counter medication, the caregiver shall comply with the following:

1. Medication shall be stored in the original container with the original unaltered label.
2. Non-prescription medication must be administered to a foster child as directed on the label or as directed by the appropriate medical professional.
3. The administration of medication to a foster child requires the caregiver document the date, time, and dose of medication administered.
4. If a foster child can not determine his or her own need for medication, the caregiver shall determine the need of a foster child in accordance with medical instructions.

Date	Time	Dosage	Medication Name

*Retain this form in the foster child's Health and Education Passport.
