COUNTY OF VENTURA

Children's Services Auxiliary of Ventura County receives donation from Rite Aid KidsCents for Betterment of Foster Youth

Children's Services Auxiliary (CSAVC), a resource partner of Ventura County Human Services Agency, was presented with a \$10,000 check from Rite Aid KidsCents. CSAVC is a nonprofit organization that raises funds on behalf of the county's foster youth for services such as health care and extracurricular activities. 100 percent of the proceeds of this generous donation will go directly towards the needed resources for foster children in Ventura County.

The Rite Aid Foundation developed KidCents as a way to help children in need within the communities they serve. The foundation partners with nonprofit kid-focused organizations for the health and well-being of children. Each Rite Aid wellness+ (plus) member is asked if they would like to round up their purchases to the nearest dollar and those donations go to KidsCents.

The donation will greatly help the programs of CSAVC for foster youth in Ventura County. To learn more, visit <http://www.csavc.org/> or www.vchsa.org.
