

Resource Family Self -Guided Training Record

Self-guided training provides Foster VC Kids resource families with an additional resource by which to complete required annual training for compliance with licensing regulations. A wide variety of training topics and presentation media may be used provided they are consistent with the goal of building upon your skills as a caregiver. Please complete the form below and return to the licensing/RFA team so that you can be provided with a training certificate. This form may be faxed to 805-654-3454, sent to 4651 Telephone Rd. suite 300 Ventura, Ca 93003 or emailed to your licensing/RFA approval worker.
