

Children's Services Auxiliary Camp Directory 2018

The Children's Services Auxiliary is pleased to be able to offer an exciting opportunity for camp expenses this year for Ventura County's court-dependent children who wish to experience the excitement of residential or day camp. Caregivers may select any camp that meets the child's needs. Camp scholarships are offered year-round until funds are exhausted. There is a limited amount of funding so be sure to process your request early! Funds will be distributed on a first come first served basis.

CAMP FUND:

A maximum of \$300 per child per year may be available to attend resident or day camps. Funding may be used for any camp or combinations of camps (child may attend multiple camps) throughout the year.

Contact the CSA office prior to payment to ensure availability of funds.

- It is the responsibility of the caregiver to select an appropriate camp and to confirm that space is available. When you register the child, be sure to ask if there are any scholarships available.
- You will need to pay at least a deposit, if not the entire fee at the time of registration (you will be reimbursed for actual payment made). You can be reimbursed up to \$300.
- Make sure you get a receipt that includes the ***child's name, name and dates of the camp, camp organization name, address and contact information, how much was paid and if there is a balance due.***
- There is a limited budget for camp scholarships and funding is ***not guaranteed*** and is subject to availability of funds.
- Requests for funding will be processed in the order they are received.
- **Receipts must be submitted to CSA within 90 days of registration. Receipts over 90 days of original purchase will be denied.**
- All of the required documentation must be submitted at the time of the request.

To receive your reimbursement, mail or email a copy of the receipt along with the completed reimbursement form, your name, address and phone number to:

Royal Kids Camps

Royal Family Kids Camp is a one-week resident summer camp designed especially for court-dependent children, 7 to 11 years old at no cost. The camping experience is geared for success, recognizing the needs to abused, neglected and abandoned children. The activities are non-competitive, non-threatening and fun!

There is a ratio of one adult counselor for every two campers. At camp, every child will receive lots of individual attention in a wholesome environment. Returning campers who have not turned 12 years old have first priority for the spaces. Registration will be taken on a first come first served basis. Space is subject to availability. If you have a child who will be 7 to 11 years old at the time of camp that you would like to have this wonderful camp experience, please contact one of the registrars listed below.
